# Cashal®

Cashal 6'8"

Combines elements of historical door design with modern functionality making it well-suited for many home styles and décor.

- Available in 6'8", 7'0" and 8'0" passage and bifold sizes.
- Most sizes can be specified for either hollow or solid core construction and with either finger joint or MDF stiles and rails.
- Elegant smooth finish.
- Available in 20-, 45- and 60-minute fire ratings as per Intertek WH specifications.
- All doors are available primed with a low VOC primer and are ready to paint.
- Covered by a 5-year limited warranty.

\* Check with your supplier for availability.  
Trimming CraftMaster molded interior doors will void the warranty.

• Colonist, Carmelle, and Classique are also available in Pre-Finished White.  
• Colonist Textured also available in four Pre-Stained shades.

### SPECIALTY DOORS

## Green Benefits

- CraftMaster molded door designs (facings) comply with the California Air Resources Board's (CARB) Airborne Toxic Control Measure (ATCM) 93120 Phase 2 formaldehyde emission limits for composite wood as certified by the Composite Panel Association (CPA), a third party certifier (TPC-1). CraftMaster molded door designs have demonstrated formaldehyde emissions equivalent to background levels found in the environment.
- CraftMaster molded door designs have no added urea formaldehyde. This is certified by Scientific Certification Systems, certificate number SCS-MC-01802.
- CraftMaster molded door designs contain a minimum of 70% pre-consumer recycled wood content. This is certified by Scientific Certification Systems, certificate number SCS-MC-01801.
- CraftMaster molded door designs and CraftMaster Green Doors contribute to industry programs such as LEED® and the National Green Building Standard™.
- For added green benefits, specify a CraftMaster Green Door.

## Choose CraftMaster

**ENHANCE INTERIORS.** Use doors as an integral part of interior design. Add style, elegance and decorating consistency to your projects.

**HASSLE-FREE PERFORMANCE.** No cracking or panel separation due to seasonal humidity changes means no repainting or replacing.

**SUPERIOR VALUE.** Compelling design and customization opportunity at a significant value versus solid wood or flush doors.
